

2 – DAY EMOTIONAL SELLING AND PERSUASIVENESS SKILLS

Introduction

Sales professionals are a unique breed that has to be thick skinned to deal with objections and sales rejections to negotiate sales and achieve targets. Sales executives need amazing self-discipline, self-motivation and resilience to keep moving forward through the smoke screen of objections to find appointments and sales day in and day out. They need to be professional listeners and eloquent speakers. They realise that they can only survive in this high pressure environment if they begin to look at the world through their customers' perspective and act accordingly. They employ proven rapport building techniques to gain trust and prosper. They are masters at the ability to create pictures in the prospect's mind through what they say and how they say it. To top it all off, they require razor sharp consultative selling skills to solve customer problems through offering the most beneficial solutions.
