

2 – DAY LEADERSHIP MANAGEMENT SKILLS FOR EXECUTIVES

Introduction

This Leadership course covers everything you need to know from delegating and motivating, differing leadership styles, keeping your finger on the pulse, and planning the future of your business. It looks at lots of real life examples (some of which will definitely get you laughing) and gives practical tools you can use right away to get better results.

Leadership is often seen as an elusive or complex skill, but with this practical course you'll soon have it mastered. Whether you're managing a small team or an entire business this course will build essential skills for your time management, team motivation, and personal happiness. Leadership is an essential skill at home, at work, and in every stage of your career. If you're in charge of two or more people at work, this course could change your life.
